Anas Ereiqat

NETWORKS & INFORMATION SECURITY ENGINEER

ABOUT ME

I am a Networks & Information Security Engineering last year student with a passion for **Networks**, **SD-WAN**, **Security Engineering**, **Risk** and **IT audit**, **ISO 27001**, and **GRC**. After completing a hands-on internship, I am now seeking my first full-time role where I can apply my knowledge to enhance security, streamline processes, and contribute to organizational success.

ACCOMPLISHMENTS
